

Electrical Part for Forklifts

Forklift Electrical Parts - Lift trucks can be purposely labeled to be utilized in hazardous locations. A marked truck indicates the design has met the least requirements of ANSI/UL 558 used for engine powered forklifts or ANSI/UL 583 used for electric forklifts for the type of label put.

Applications for marked forklifts can be found in National Fire Protection Association NFPA 505 - Powered Industrial trucks including: Maintenance and Operation, Type Designations, and Areas of Use. Ask your local insurance carrier and Fire Marshall for more info regarding the approved uses of industrial powered trucks in your application.

If the lift truck has been found to meet the outlined standards, the following labels could be placed. A labeled truck will have the type description placed on the forklift nameplate and would have one of the following labels put.
