Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have over 60 years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to giving new design concepts and top quality to be able to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They enjoy providing items which energize both their partners and their dealers and offer production gains to their customers.

The team at TREK likes tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' needs and skills together with their comprehension of cleaning applications, along with owners' strong desire to dramatically reduce expense through productivity gains.

When considered necessary, the employees within TREK and its numerous dealer members in both technical support and parts will be obtainable. One of their core values is their high service dedication in their customer service. Keeping their clients' cleaning equipment ready and functioning day after day is top priority. The company's top of the line technology delivers dependable machine that eventually lessens your cleaning expense. The product, the price and the service all work as one to be able to make them an industry leader.
