

American Lincoln Part

American Lincoln Parts - The American Lincoln division is presently linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment that are recognized within the industry as durable and strong equipment which suits the requirements of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are obtainable in the market under the brand name "Encore". American Lincoln could supply warranty service, machinery and components for these scrubbers which have both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility supervisors where efficiency and results matter. Lately, this floor scrubber model has been used by the architects in different construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on site because of the model's high standard of quality and supreme performance level for polishing concrete.
